

## AERE 2026's best wishes

May this year be a year of new climate and ecological actions, with local and international commitments!

# 2026

**Here are some examples of actions and resources  
Just ask us to know more!**

### **Have a look at Anne Rialhe's book for municipalities!**

Click to read a few pages

[Gestion territoriale de la transition écologique - Fiches actions à l'usage des décideurs locaux](#)

### **Play to protect forest from climate change!**

To discover our serious game [Une collaboration collégiens-doctorante pour agir en faveur des forêts !](#)

**We offer our support in implementing action plans to promote "biodiversity".**

Discover "[our offer](#)"

**Social dialogue and ecological transition, a tested and winning combo, with the labour ministry**

Discover [the production of the labour's institute](#)

**AERE, a very-well recognized expertise! Anne Rialhe was appointed by the Regional Prefect to the consultative assembly of AURA as a qualified person for environment**
